

1/87 VEHICLE CLUB

Second European Meeting in Fulda, Germany October 22 to 24, 2004

Driven by the success of last year's event, the 1/87 Vehicle Club's German members are happy to announce the second meet outside of North America. It will take place from October 22 to 24, 2004, in Petersberg-Steinau, located on the outskirts of Fulda, Hesse, and not too far from Frankfurt/Main in central Germany. We invite model builders and collectors alike, whether they are club members or just interested in 1/87th scale vehicles, and whatever their particular field of interest in H0 scale models may be.
